Please accept these 100 music cds to distribute to the Troops in their care packages.

Toyota Motor Sales, Inc., U.S.A. has a national dealer meeting every year. These cds represent some of the fabulous music that we featured over the last four years during the meetings. So we thought it was appropriate to share the music with the Troops and hope that we can entertain and lift their spirits while they are away from home.

Thank you for your assistance in getting this out in the Care Packages!!
